Because we just liberated them from the Nazi's and she is grateful. What are you, new? I'm Just outside Parkland Hospital. No, I am on a pay phone. You're worried about wiretaps? We run Ma Bell. Good lord, it's just a blow job and she's from France, she's not a Baptist. Is there anyone else around? Crying, too, huh? Lemme me say, y'all stuck me with two Ivy league ass clowns to complete the triangulation. For all I care they could be the nephews of Allen Dulles' shit baby with J. Edgar Hoover. That don't make them competent. The first shooter hit the target. By mistake. No. He's true blue.
