HERLIHEY

'Twere a wonder not a man among them heard a'ruction. Many a slabber, ganch, and squealer keep their gob agape for the right price, know what I mean? Not a peep. Peculiar it is, boyo. And with the bucketing and a'lapping of the past week it's no wonder the case has gone Baltic. We appraised Scotland Yard of what we found. Anything new is jam on your egg. I'm pig sick about it, but...there it is. As a potato in Ireland. Coney Island may seem like a paradise, but ugliness lurks under the sand. I've been off the boat for an age now, but this Peeler finds something new in the bog every day. Manay a bitta bluff coulda suffered the same or worse as this young woman. That poor craiter. I'm sorry Mr. Holmes. The ends are all dead. We've told you all there is to tell and when there is more to tell, we'll tell it.
