DOROTHEA

Rose! Get down offa Nolan's back
And stop horse-playin' around!
Get your bottom home to your Uncle Roger! Worried sick.
Act like a lady!
And get this shovel outta my hands,
Respect your elders!

ROSE grabs the shovel from DOROTHEA and begins shoveling ahead of DOROTHEA who continues to school ROSE on feminine propriety.

DOROTHEA (CONT'D)

The Good Lord don't want no lazy,
Disrespecting,
Horse-playin heathens in his house.
Now you get home to yours so I can get home to mine
Gimme that shovel
Sweet Trinity, it's cold
Gonna get home put on my slippers...
