

## BETWEEN CLASSES

*Lily and Anna walk across the stage, gossiping.*

**LILY**

I heard that Helena ate like five bags of chips at lunch.

**ANNA**

I heard Muriel frosted her bangs but now she has to wear them under a hat every time the sisters walk by.

**LILY**

She should just wear that hat permanently.

**ANNA**

Did you hear that Raquel went to Jessica's party and didn't get her a gift?

**LILY**

No, I heard that she did get her a gift but it was like conditioner.

**ANNA**

Haha no way.

**LILY**

Yeah like mini conditioner. From a hotel. And she put a post-it on it saying "You're Welcome."

**ANNA**

Oh my god she's so bad.

**LILY**

Did you hear about Mary-Anne letting the kitchen boy look up her skirt in exchange for more chocolate cake.

**ANNA**

If she keeps eating that cake nobody's gonna wanna look up her skirt.

*Silence, as they try and think of other gossip.*

**LILY**

God I'm so bored.

**ANNA**

I know nothing interesting ever happens in this school.

*A moment.*

**ANNA**

I heard Leslie's parents are getting divorced.

**LILY**

That happened like over the summer.

**ANNA**

Well...

*They exit.*
