**FOR IMMEDIATE RELEASE:**

## Sacred Fools Presents Season 13 of Late-Night Sensation *Serial Killers*

**Los Angeles, CA (October 10, 2017)** Returning for a record 13<sup>th</sup> season, *Serial Killers* is back on the Sacred Fools stage for another season of Saturday night after-hours fun. In *Serial Killers*, the fate of five original serials is in the hands of the voting audience, making them the titular serial killers. The show returns this Saturday, October 14 at 11:30 PM.

Sporting the tagline 'Five Shows Enter, Three Shows Leave,' *Serial Killers* debuted back during the second Bush Administration and shows no signs of slowing down. Over 300 storylines have premiered on the *Serial Killers* stage, some enduring a quick death after one episode, others enjoying long runs and, in several cases such as *BeaverQuest! The Musical*, *Watson*, *A Kind of Love Story* and *Absolutely Filthy*, graduating from late-night to prime-time slots as mainstage plays in the Sacred Fools season.

"*Serial Killers* continues to be an amazing venue for people to experiment with new and original work," explains producer JJ Mayes. "It gives actors and directors a way to stretch past the norm of what they normally do, and writers get a chance to have an immediate audience response to their ideas. It also tends to be a hell of a lot of fun." Mayes has been a producer on the show for 8 seasons and is joined by fellow producers Cj Merriman, Bo Powell, Travis Snyder-Eaton and Colin Willke.

***Serial Killers during Mr. Burns, a post-electric play***

Throughout its long run, *Serial Killers* has taken place on the stage of whatever show has been running on the Sacred Fools mainstage. This cycle of *Serial Killers* will take place on the stage used for the final act of *Mr. Burns, a post-electric play*, the opener of Sacred Fools' 21<sup>st</sup> Season. *Serial Killers* will run each Saturday at 11:30 PM through November 18, taking the week of Thanksgiving off and then running through December 9 before breaking until January, 2018.

**Open Submissions for Serial Killers**

The producers of *Serial Killers* are always looking for new material and new participants. Submissions are open to the public for new scripts, performers and directors. All are encouraged to contact the producers to find out how to participate. For more information visit [sacredfools.org/misc/serialkillers](http://sacredfools.org/misc/serialkillers).
